Who We Are: Sunrise Rotary of Walla Walla is a non-profit organization affiliated with Rotary International and organized within Rotary District #5080. The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise. Sunrise Rotary supports international projects such as Polio Plus, the volunteer arm of the global partnership dedicated to eradicating Polio. We have provided financial support to well drilling projects in undeveloped countries, to Rotaplast, a program that provides life-changing improvements to hundreds of underprivileged children and young adults with cleft lips and palates. We also have provided support to ShelterBox, an international program to provide disaster relief. Many of our members are Paul Harris Fellows, an award based on their significant contributions to the Rotary Foundation.

On a local level, Sunrise Rotary's primary focus has been on youth. We often contribute to youth programs in the community as well as programs that assist underprivileged children. In addition, the club performs a semi-annual cleanup of two miles of Highway 12, volunteers for local community service project and we also coordinate special projects including the purchase and construction of a "play fort" at Fort Walla Walla Museum and playground equipment and walking paths at Vista Terrace Park, 920 Mountain Park Drive in Walla Walla.
